

# JUNIOR DIGITAL DESIGNER

FULL-TIME POSITION

## ABOUT 360F

360F advances wealth advisory in Asia. Focused on financial institutions, 360F utilizes behavioural finance and marketing science to deliver the mission-critical in wealth advisory. 360F has the bigger purpose to make financial conversations an integral part of lifestyles.

## WHAT YOU WILL DO

As a Junior Digital Designer with 360F, you will support the development of creative digital solutions. You will be guided in the company's digital user interface design process, interpret business requirements, and execute visual interfaces for our digital product offerings. You will also get to unleash your creativity through the company's digital marketing work.

## WHO WE ARE LOOKING FOR

- ✓ Minimally a Diploma holder in Art/Design/Creative Multimedia or any related field
- ✓ At least 1 year working experience in the related field
- ✓ Required skill(s) in front-end web development and/or JavaScript
- ✓ Well-versed in design software such as Adobe Photoshop, Illustrator and XD
- ✓ Design trendy - in touch with both visual design and social media trends
- ✓ Ability to work under pressure and deliver on tight deadlines
- ✓ Excellent written and verbal skills in English

Please submit your resume and portfolio to [career@360f.com](mailto:career@360f.com). We look forward to your application.
