

BUSINESS ANALYST (Wealth Management Solutions)

FULL-TIME POSITION

ABOUT 360F

360F advances wealth advisory in Asia. Focused on financial institutions, 360F utilizes behavioural finance and marketing science to deliver the mission-critical in wealth advisory. 360F has the bigger purpose to make financial conversations an integral part of lifestyles.

WHAT YOU WILL DO

As a Business Analyst with 360F, you will work in close collaboration with the product, design, and technical teams at our client sites to implement, test, and deploy the next-generation wealth management solutions. You will also be exposed to our strategic partners' research work to support 360F's product suite evolution.

DO YOU ...?

- ✓ Have a Bachelor's or Master's degree in Mathematics, Statistics, Economics, Business and/or Computer Science from a reputable university
- ✓ Come with 1-2 years of industry experience in the financial services sector (banking, life insurance, asset management). Fresh graduates are also welcome to apply.
- ✓ Possess understanding of wealth management products
- ✓ Work fluently in Excel; experience in VBA preferred
- ✓ Enjoy building strong rapport with clients and peers to establish credibility
- ✓ Prove to be an inquisitive self-starter who can manage ambiguity and deliver rigorous standards under tight deadlines
- ✓ Show exceptional written and verbal communication skills in English
